

Dear Pastors and Youth Leaders,

Youth Extreme is an exciting local event for your youth that is not only fun, but can make an eternal impact. The ultimate purpose of the event is : **To share the Gospel message of Jesus Christ with area youth and, in partnership with local churches, provide them opportunities for nurture and growth in their relationship with Him.** The success and effectiveness of the event relies greatly on the commitment of the churches that see it as a tool to introduce kids to the Gospel of Jesus Christ. For many, the event acts as an exciting way for students to introduce friends to their youth group.

We are committed to making the event accessible to all . We have kept the price of tickets at \$10 per ticket and \$8 per ticket for groups of 20 or more to keep it affordable. For that price the students are treated to an evening that includes:

- 15 interactive events**
- Five Live Bands!**
- A clear presentation of the gospel message**
- A unique event experience with over 400 other area youth**

Finally, the event is made possible through local sponsoring churches and volunteers. **Please consider the opportunity for your church or group to partner in this way.** For more information please email us at YouthExtreme@scarletthread.org, or call Scarlet Thread Ministries at 315-380-3391.
